

UAM Bulletin No. 2010-01
Date Issued: March 19, 2010

To All FMNs:

During discussions in the UAM Management Council meeting held in Macau on March 13, 2010 and attended by President Stephan Carapiet, Vice Presidents Mishaal Al Sudairy, Shrikant Kirani, Yan Jianchiang and Secretary Antonio Gerardo Reginaldo B. Hernandez, the Council agreed to build a database of licensed race stewards/officials nominated by the UAM-member FMNs in order to provide for a better, more efficient and more economical way of managing the appointment of licensed race stewards/officials to UAM continental motorcycle sports events and endeavors.

On this note, please provide us with the names and license details (*type of license, license number, place and date of issuance and expiration date*) of members of your federation with UAM/FIM licenses including those already expired whom you are endorsing/designating to be potential race stewards/jury/panel members in forthcoming continental motorcycle sporting events as well as those whom you feel are qualified and possess the experience and expertise to function and work under the non-sporting panels. **(2 SPORTING COMMISSIONS: 1. On-road Sporting Commission and 2. Off-road Sporting Commission/ 5 NON-SPORTING PANELS: 1. Touring 2. Alternative Energy 3. Road Safety & Mobility Asia 4. Marketing & Industry and 5. Strategic Planning)**

Moreover, please be advised that there are no guarantees on the appointment of nominated/endorsed members. Appointments shall be subject to deliberation and carried out in the best interest of the UAM and its FMNs. Finally, please be advised that all nominated/endorsed licensed members must be fluent in spoken and written English.

Your prompt response and favorable attention to this matter will be highly appreciated.

Thank you and best regards,
